

## *Mothers' Day Tea*

*Mother's Day is celebrated this year on May 14<sup>th</sup> and CFRI's largest fundraising event, our Mothers' Day Tea has begun. We invite you to participate with us in our mission to fund research, provide educational and personal support to all in the cystic fibrosis community.*

*We will provide you with invitations and envelopes, literature on CF, and teabags of delicious Bigelow Tea. You send these to family and friends, and join others across the country for a warm cup of tea together. Contributions from the Tea are sent to us in envelopes provided. It's that easy.*

*With your support, we fund important CF research and supply current CF information to those with cystic fibrosis and their families.*

*Just clip and send us this order form, call in your order (650-404-9975) or email us: [cfri@cfri.org](mailto:cfri@cfri.org). It's not too late to call in your order!*

**THANK YOU!**
