

# Stanford CF Discovery Series™ - 2010

## Lung Transplantation

by

**Dr. David Weill, Director of CF & Lung Transplant at Stanford  
and Mary Martel, NP, Nurse Coordinator of Stanford Lung Transplant Program**

*For*

**CF Providers, Patients and Their Families**

***An evening of support for the CF community***

**When:** Tuesday, March 9, 2010 from 6pm-8pm

**For:** The CF community: adult patients, caregivers and staff

**Where:** Crowne Plaza Cabana Hotel @ 4290 El Camino Real in Palo Alto, CA 94306  
(650) 857-0787 for any additional directions. (3miles from Stanford Hospital)

**Cost:** **FREE!** Refreshments will be served.

**Why:** To learn more about CF options and strategies; to discuss concerns with other CF patients and their families

**Parking:** **FREE.**

**Questions?** Camille Washowich, NP at the Stanford Adult CF Center:  
[cammienp@yahoo.com](mailto:cammienp@yahoo.com)

.....  
*This is the ninth in a series of monthly gatherings for the CF community, held on the second Tuesday evening of each month*

*\*Patients with CF and have ever cultured B Cepacia, MRSA in last 2 years or have a bacterium resistant to all antibiotics will not be able to attend at this time.*
